US GRAIN STANDARDS ACT (USGSA) FEE SCHEDULE

This fee schedule supersedes all other fee schedules issued by this office. Federal Grain Inspection Service (FGIS) must approve all fees for official services and Official Agencies will assess only those fees appearing on their current approved fee schedule. This fee schedule is not valid unless signed seal appears on each page.

FGIS Administrative Tonnage Fees: In addition to all other applicable fees, FGIS administrative tonnage fees for export grain shipments inspected and/or weighed, excluding land carrier shipments to Canada and Mexico, will be assessed at the current per metric ton rate identified in FGIS Directive 9180.74 Service Fees and Billing Codes, Attachment 1. Invoices will identify assessed administrative tonnage fees as separate line items per applicable carrier/unit type.

FGIS Supervision Fees: In addition to all other applicable fees, FGIS supervision fees for domestic U.S. grain shipments inspected and/or weighed, including land carrier shipments to Canada and Mexico, will be assessed at the current per metric ton rate identified in FGIS Directive 9180.74 Service Fees and Billing Codes, Attachment 2. Invoices will identify assessed supervision fees as separate line items per applicable carrier/unit type.

GENERAL INFORMATION

Effective Date: September 18, 2026

Regular Hours: 7:00 a.m. to 3:00 p.m. Monday through Friday excluding holidays. Time may be prorated when possible. All requests for service will be honored on a first call first service basis.

For Service Requests Performed out of the Sauget, IL or Wayne City, IL Offices:

Regular Hourly Rates: (4-hour minimum applies unless stated otherwise)

Barge Sampler: \$39.00 per hour

Sampler, Technician, Weigher, Other & Cancellation¹: \$33.00 per hour.

Inspector Rate: \$44.50 per hour.

For Service Requests Performed out of the Wickliffe, KY office:

Regular Hourly Rates: (4-hour minimum applies unless stated otherwise)

Sampler (all types): \$23.00 per hour

To avoid charges, all services scheduled during regular hours must be canceled at least 6 hours before the start time. Failure to do so will result in a 4-hour minimum charge, calculated using the hourly rate specific to the service (e.g., barge cancellations will be charged at the Barge Sampler rate). Hourly rates are per person and billed in ¼-hour increments. For cancellations made during non-regular hours, the applicable minimum charge will apply.

Overtime Hourly Rate: 1 ½-time regular hourly rate applies to all hours outside the hours of 7:00 a.m. to 3:00 p.m., Monday through Friday and Saturday. Sunday and Holidays will be charged at double time. (4 hour minimum applies)

Holidays Include: New Year's Day, Presidents Day, Good Friday, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Eve after noon, Christmas Day, and New Year's Eve after noon. Holidays that fall on Saturday will be observed on the preceding Friday; those that fall on Sunday will be observed on the following Monday.

¹ Excluding Barge Sampling (see Barge Sampler Rate)

Stand-by Rate: Any stand-by time in excess of one hour will have an additional \$8.00 per hour added to the appropriate hourly rate.

On-Call: On-call charges will be applied for requests to hold personnel outside regular business hours. The elevator must establish a start time by 3:00 pm regular business hours. If work is not performed at an established time there will be a 4-hour minimum charge, at the applicable hourly rate, for each employee that was held for that service.

Mileage Fees: Mileage will be assessed at a rate of less than or equal to the IRS standard mileage rate and will be prorated when possible. Mileage will be charged on all trips **per vehicle**.

Travel Time: Will be charged at the applicable hourly rate and prorated, when possible, **per employee**.

Sample Pick-up/delivery: Applicant will be charged appropriate hourly rate and mileage. (Prorated where applicable).

Finance Charge: Invoice statements will be issued monthly, and payment is due upon receipt. Payments not received within thirty (30) days of the invoice statement date will incur a finance charge of 24% A.P.R. Overdue accounts in excess of sixty (60) days of the original invoice statement date will be escalated to NDGI upper management for enforcement action and official service will be suspended until the account is paid in full.

Inclement Weather: Sampling and stowage examination requests may be delayed, curtailed, or dismissed if the agency manager determines that weather conditions are creating a safety hazard for agency personnel.

Safety Training Required by Applicant: Applicants who require inspection staff to complete proprietary safety training as a prerequisite to working on-site will be billed for all related expenses associated with such training, including travel time, labor and mileage for each employee. It is required that additional training be performed at the applicant's site. NDGI provides comprehensive safety training at initial orientation.

Personnel Safety: It is the customer's responsibility to ensure the grain, commodity, or stowage area is safely accessible for NDGI personnel to perform services. This includes, but is not limited to, providing safe and secure access to work areas such as ladders, catwalks, or platforms equipped with proper fall protection when necessary. Hazards, such as unsecured equipment, tripping hazards, or excessive grain dust, must be addressed and removed prior to access. Adequate lighting should be provided to ensure clear visibility in all work areas, and any known risks or safety concerns must be communicated to NDGI personnel before work begins. Additionally, safe conditions must be maintained during inclement weather, including clearing pathways of ice, snow, or other obstructions that could pose risks.

Proper Lighting: Adequate lighting must be provided by the elevator when inspection services, such as stowage examinations, are requested before sunrise or after sunset, per FGIS instructions.

Code of Conduct by Applicants: NDGI & FGIS' policy is to promote a safe and equitable working environment. As a result, NDGI reserves the right to refuse on-site inspection service if inspection staff are subjected to behavior by elevator personnel that is deemed violent, threatening, harassing, intimidating, disruptive, unprofessional, or discriminatory in nature.

Fee Inclusions: Unit fees below include certification, unless otherwise noted, and will note whether the fee includes sampling, grading of factor(s), and/or both. Hourly and mileage fees will be in addition to the unit fee unless stated otherwise.

OFFICIAL SERVICES

All official services included the applicable certificates per FGIS guidelines and instructions.

Official on-site inspection and grading services are available to locations that provide a fully furnished and suitably equipped laboratory, including an adequate dust ventilation system. If an inspector is available, NDGI will provide one at the applicable rates. If inspection staff are not available to perform on-site grading or laboratory testing as requested, a Sampler will be dispatched to collect samples. These samples will then be transferred to the nearest NDGI Field Office for grading and/or testing at the earliest opportunity. NDGI works diligently to staff efficiently for requested personnel while maintaining adequate pricing. Service requests will be fulfilled as soon as possible, subject to the availability of official personnel. NDGI reserves the right to determine the number of personnel necessary to properly fulfill each service request, ensuring accurate and efficient service delivery.
